

ASK REEDSY

## WHAT IS KINDLE DIRECT PUBLISHING?

reedsy

KDP is Amazon's self-publishing platform. It allows authors to sell their books to a global audience without the help of a traditional press.

ASK REEDSY

## What are the benefits of publishing with KDP?

reedsy

- 1 You can sell your title with the world's largest book retailer
- 2 Amazon's algorithm can benefit indie authors
- 3 Sell ebooks and print books from the same account
- 4 Access to Kindle Unlimited and KDP promo deals

ASK REEDSY

## What are the drawbacks of publishing with KDP ?

reedsy

- 1 There are limits to KDP's 70% royalty rate
- 2 To access KDP Select, you must sell your ebook exclusively with Amazon
- 3 Amazon's questionable employment practices and impending monopoly
